Good Morning

Further to the following which we issued to you all yesterday, the office received this from **Tom Meggison** this morning:

With regards to the **Coronavirus Business Interruption Loan Scheme (CBILS)**, more information is here: <https://www.british-business-bank.co.uk/ourpartners/coronavirus-business-interruption-loan-scheme-cbils/>

Businesses are welcome to approach other Banks, but my belief is that they will prioritise their own existing customers before looking at non-customers.

Regards
