Dear Member

Firstly, apologies for the bombardment of emails today, but I hope you can all appreciate that these are testing times?

The office has received several phone calls today from members with varying questions/queries. With that in mind, Mark has asked me to send out this message to **reiterate the following government message** that is now **mandatory** from their document issued last night after the Prime Ministers speech:

GOV.UK GUIDANCE
FURTHER BUSINESSES AND PREMISES TO CLOSE [This is NOW Hotels, B&Bs]

As a country, we all need to do what we can to reduce the spread of coronavirus.

That is why the government has given clear guidance on [self-isolation](#), [staying at home and away from others](#), and asked that [schools](#) only remain open for those children who absolutely need to attend.

On 23 March the Government, stepped up measures to prevent the spread of coronavirus and save lives. **All non-essential premises must now close.**

| Hotels | |
|---|---|
| Hotels, hostels, BnBs, campsites and boarding houses for commercial use | Where people live in these as interim abodes whilst the primary residence is unavailable they may continue to do so. Key workers can continue to stay in hotels or similar where required. |

As usual, if you have any questions or queries the office is always open and will always be here to help.

Take care & kind regards

--

Yvette
