The bag drop will be open from 07:00 and is located in the Bede's Sports Hall. Only 1 bag is allowed per participant. Please attach your bag drop tag to your bag which is attached to the bottom of your race number. Bags are organised in numerical order (blocks of 200) therefore on arrival at the sports hall, please place your bag in the relevant area (signs are displayed on the walls).

In the interest of safety and security, friends and family are NOT allowed into the bag drop area.

REGISTRATION

Your race number will have been sent to your home address via the post. If you do not receive your race number ahead of the event, please visit the Sport Systems desk on the morning of the event which is located in Helen Gardens where they will issue you with a new race number. ***If you have received your race number - you do not need to register on the day.***

Please ensure you leave plenty of time ahead of your race start time to visit the Sport System desk if required to do so & bring ID.

RACE NUMBER

Your race number must be visible from the front so please attach your number to the front of your top or bottoms. You must complete the personal details on the reverse of the race number.

Please be aware of the impact covering your race number can have on your own safety and your accurate chip time (which is attached to the rear of your bib number).

THE COURSE

TOILETS

Portaloos and a urinal bay will be available in Helen Gardens at the Start/Finish area. There are also toilets available inside & outside Bede's Prep School.

TOILETS ON THE COURSE:

There are no toilets on the initial 10K route which is then followed by the Marathon route with the following checkpoints with toilets:

Checkpoint 1 - Jevington

Checkpoint 3 - Bo-Peep

Checkpoint 4 - Litlington

Checkpoint 5 - Horseshoe Plantation

ROUTE

The UTLRA course follows the 10K route first past Cornish Farm and over the Seven Sisters. You then continue on the Marathon route which is a single loop where you will run through the quaint villages of Jevington, Alfriston and Litlington and then you will follow the Cuckmere River back to the coastline. You will embark upon the Seven Sisters (again), past the infamous Belle Tout lighthouse and make your way back down to the finish line on Dukes Drive outside Bede's Prep School.

You can see the course map here:

WHAT TO EXPECT

The Beachy Head Ultra has a total ascent of 3,500ft so expect lots of steep inclines. You will encounter: Gates, Stiles, Bridges, Cattle Grids and several flights of steps!

Please follow the marked course route and DO NOT go near the cliff edge. Obey traffic officers and marshal instructions at road crossings as well as the instructions of Coastguards along the cliff edge. Please be prepared to give way to traffic as the roads are 'live'.

We kindly ask you to respect the farming community when crossing arable land by keeping to the paths. Do not cut corners or spread onto farmers' land near the stiles.

CONDITIONS

We recommend trail shoes for this event due to the ground conditions and the chance of inclement weather. With it being October, the weather isn't always on our side and conditions can be bad especially on the high ground along the coast - keep an eye on the forecast and dress appropriately for the conditions!

WATER STATIONS

There will be water stations at approximately 3.1, 10.2, 15, 18.2, 22.9 & 29 miles as well as water being available at the finish line.

There will be squash available at various checkpoints along the way also. New for 2025 - coca cola will also be available at our Cuckmere Water Station.

Whilst we endeavour to have our water stations well stocked - runners should ensure they supply their own water/hydration to keep hydrated throughout the event.

FOOD

We always encourage participants to bring their own goodies to keep them fuelled for the event. However, across our checkpoint you can expect to find a different variety of sweet treats and savoury snacks including the likes of:

- Jelly Babies
- Crisps
- Skittles (VG)
- Jaffa Cakes
- Sausage Rolls
- Bananas
- NOMO chocolate bars (VG)
- And more!

Subject to availability

We kindly ask you NOT to litter on the course. Please dispose of any rubbish at the checkpoints along the way.

FIRST AID

Elite Medical will be providing First Aid cover around the course and will also be positioned at the finish line.

If you witness a medical incident, please advise the nearest marshal and contact 999 if the incident is life threatening.

RETIREMENTS

If you do not feel able to continue during the event, you can retire at the nearest checkpoint (except in the cases of an emergency and/or injury). Transport will be provided back to the start/finish area when available. Please notify the checkpoint marshal you wish to retire and provide them with your name and race number so we can arrange transport for you via Event Control.

SWEEPER TEAM

We have a team of sweepers who follow the final runners across the course from start to finish. For Health & Safety reasons you will not be permitted to continue should the sweeper team overtake you as all route markers are removed by them, leaving the course unmarked and unsafe. A lift back to the start/finish area will be arranged for you at the nearest checkpoint if this is the case. Should any participant refuse to retire, this will be a breach of the BHM T&C's of entry and the participant will continue at their own risk and will no longer be part of the event.

PHOTOGRAPHY

Mick Hall and his team will be snapping shots of you around the course! A link to access the photos will be shared by email shortly after the event (photos are FREE to download).

FINISHERS

FINISHERS

All finishers receive the 2025 Beachy Head Ultra medal and can grab themselves a drink of water/squash then head to the Cafeteria for a jacket potato with beans and a sausage (vegan options are also available).

PRIZES

In addition to the medals, we will also be awarding prize vouchers and awards to the 1st, 2nd and 3rd place female and male finishers! The prize vouchers are redeemable at Tempo Running Shop, Eastbourne.

Tempo is a running specialist shop in Eastbourne which aims to improve the running experience of runners of all abilities. They offer FREE gait analysis and select a range of shoes based on the findings of the gait analysis and establishing the needs of the customer (you can even test the shoes out on their in-store treadmill). They also stock running apparel & accessories!

If you head over to TEMPO before the 31st of October and show your race number/entry confirmation you can get 15% off products.

RESULTS

Official results will be posted on the website www.beachyheadmarathon.com as soon after the event as possible. Participants who provided their mobile number when signing up will receive their results via text message. Live finish line results will be available on the day (link will be shared on our socials)!

SWIMMING POOL

Ultra and Marathon participants who fancy a dip after completing the race can use the Bede's Swimming Pool!

SPORTS MASSAGE

You can receive a Sports Massage in the Bede's Sports Hall before or after the event from Move Well Sussex or Castle Coaching. It will be £10 for 10 minutes of treatment.

We look forward to seeing you at the Beachy Head Ultra 2025!
